Términos de la Garantía

Udinese garantiza sus productos por el plazo de 5 años a partir de la emisión de la factura, esta garantía cubre defectos de fabricación y está condicionada al correcto seguimiento de las instrucciones de especificación, aplicación y uso vigentes en este catálogo técnico.

Udinese se reserva el derecho de modificar, sustituir o retirar cualquier información que consta en este catálogo sin previo aviso.

Nota: Las medidas expresadas en este catálogo están en mm. y los diseños no están a escala.

Para Diferenciar su Proyecto Cuente con los Componentes para Aberturas de Udinese

Buen gusto combina con calidad, con design, con eficiencia y productividad. Y todo esto combina con Udinese.

Componentes para cerramientos con la experiencia de 40 años, con presencia en varios paises, atendiendo las necesidades de distribuidores, armadores, especialistas, especificadores, constructores, arquitectos y consumidores finales que buscan destacarse por el cuidado en sus obras y la valorización de los detalles.

detalles. Certificado N° 216064/B ISO 9001: 2000 Por todo esto, en su próximo proyecto especifique Udinese.
